Dear Omar:

This is to advise you of a change in the radius of the withholding for current and future impacts. After due consideration, it was determined to change the 500 mile radius for impacts in Northern and Southern California. We will be withholding in the clerk, mail handler, carrier and custodial crafts in offices and plants in Northern California for impacted sites in Northern California and in Southern California for impacted sites in Southern California. There is no change to the 500 mile radius for impacts in sites in the Honolulu Performance Cluster.

If you have any questions, you may contact me at (858) 674-3180.
