RE: Withholding for Price UT

Omar M. Gonzalez, Coordinator
cc: Communications Dept.
NBAs

Dear Mr. Gonzalez:

This is to confirm our conversation today regarding the need to increase the withholding radius to 250 miles from the Price UT Post Office in order to comply with the Article 12 obligation to minimize the impact upon employees and reserve positions for impacted employees. Attached is a Price Post Office seniority list and a withholding area map.

We had originally notified you that we anticipated an impacted employee would be excessed into a residual City Letter Carrier position; however, the residual position is a Carrier Technician position, Level Q-2, requiring at least one year in a City Carrier position to qualify.

I will be contacting you to further discuss the excessing from Price UT when a meeting can be scheduled; hopefully, during one of the first two weeks of February, 2009 when you indicated you are available.

Sincerely,

for *Valerie E. Martin*
