Dear Omar:

This is to advise you of the intent of the San Diego Performance Cluster to involuntarily reassign two Electronic Technicians from the Palm Dessert Post Office based on the relocation of the DBCS equipment from that office to the San Bernardino P&DC. The final placement date will be August 11, 2008.

The impacted employees will be notified by separate letter of their involuntary reassignments no later than 60 days prior to the effective date of excessing. Copies of the Automated Impact Statements are attached.

The tentative placement site will be San Bernardino plant. By copy of this notice, the San Diego Cluster will withhold up to two residual Electronic Technician positions.

If you have any questions or wish to meet on the package, you may contact Linda Shumate at (626) 855-6446.
