The San Diego Cluster will issue written notification to the impacted employees of their involuntary reassignments on or before October 17, 2008. The targeted placement will be to withheld custodial and carrier withheld assignments in the impacted offices and to the extent they are available to viable withheld assignments in the clerk craft in other installations. If there are insufficient withheld assignments in the clerk craft within 100 miles we will identify withheld assignments in the carrier craft within that same radius.

If you have any questions, you may contact Linda Shumate at (858) 674-3183.
