RE: Withholding for FSS in the Arizona Performance Cluster

Dear Mr. Gonzalez:

Please be advised that due to insufficient attrition, the reduction of mail volume, and the effect of other impacts, it is necessary to increase the withholding radius to 250 miles.

The Arizona Performance Cluster is authorized to withhold up to 150 FTR, PTR, and PTF level II and PS-7 and below positions in the City Letter Carrier, Clerk, Custodian, and Mail Handler crafts within a radius of 250 miles from the Main Post Office in Phoenix, Arizona. Other affected Areas will be notified.

The Arizona Performance Cluster is presently recalculating the number of impacted employees due to changes in mail volume. We will provide you with a revised Site Impact Report when this is completed if it changes the numbers previously submitted.

If you have any questions, please contact Dan L. Foster, Labor Relations Specialist at 303-313-5702.

Sincerely,

Dan L Foster for
