RE: Expansion of Withholding Radius – Caldwell ID

Dear Mr. Gonzalez:

This is to confirm our conversation today regarding expansion of the withholding radius for the Caldwell ID impact to a 300 mile radius. The office is located in southwest Idaho in a location with few offices with full-time positions nearby other than Boise. We are currently preparing the information to submit to you regarding impacts to employees in Boise, and expect to have that to you within a week; therefore, the Boise office will be of no assistance in the Caldwell impact.

If you have questions, please contact Gloria Borsick, Labor Relations Specialist at 303-313-5444.

Sincerely,
