SUBJECT: Article 7.2.B

As you are aware, with the continued decline in mail volume the Postal Service has been forced to review and adjust staffing more frequently than ever.

As a result of the decline in workload, the San Diego District expects to implement Article 7.2.B in the near future.

Article 7.2.B

In the event of insufficient work on any particular day or days, in a full-time or part-time employee's own scheduled assignment, management may assign the employee to any available work in the same wage level for which the employee is qualified, consistent with the employee's knowledge and experience, in order to maintain the number of work hours of the employee's basic work schedule.

Should you have any questions or concerns you would like to discuss regarding this issue, please feel to contact me at your convenience.

Respectfully,

Toni Simon
Manager Labor Relations
San Diego District
