Dear Omar:

This is to advise you on the intent of the San Diego Performance Cluster to utilize the provisions of Article 12.5.C.5 of the National Agreement to involuntarily reassign up to 31 full-time Level 6 clerks from the San Bernardino bid installation. The basis for this action is the loss of mail volume, the movement of mail up the processing hierarchy and the realignment of staffing to meet operational windows and operational needs. The final placement date for this action would normally be October 17, 2009; however, given the loss of workload and the financial status of the Postal Service, we are projecting to effect the reassignments at the end of July 2009.

The impacted clerks will receive written notice of their involuntary reassignments along with a list of available assignments from which to make a preference selection.

By copy of this notice, we are authorizing the San Diego Performance Cluster to withhold up to 31 full-time assignments in the clerk, carrier, mail handler and maintenance crafts within 200 miles.

Attached is a copy of the automated impact statement along with copies of the operational data supporting the excessing and a list of the junior full-time Level 6 clerks at the San Bernardino bid installation. If you wish to meet on this matter, please contact Linda Shumate at (858) 674-3183 on or before Thursday, April 23, 2009 to arrange a date.

Any grievance involving any new or changed district or area wide policy, instructions, or guidelines, shall be directed at step 3 to management's representative at this level and shall specify the reasons for the grievance.

14 Day Filing Period

This appeal is in accordance with Article 15 Sec. 2 Step 3 (f) for the following reasons:

This grievance evolves from the unilateral change of the policies, guidelines, instructions regarding Union and Employee notice of involuntary reassignment. On or about 4-21-09 San Bernardino Plant Manager Jim Olsen, a field manager, discussed with bargaining unit employees proposed excessing outside the craft or installation. The Plant Manager also issued a notice to the employees on involuntary reassignment dated April 20, 2009 addressed to the Union's Regional Coordinator before the notice was received by the Region. Olsen further informed the employees of an effective date.

The Regional Union protested to the Area HR Manager and Complement Manager. The response was that field management was told not to do that with the employees until the Regional Union received the notice. This is a unilateral change in policy, guidelines and instructions.

The Region is to get advance notice of six months if possible but not less than 90 days. The guidelines in the JCIM prohibit management from discussing with bargaining unit employees proposed excessing until a meeting is held between the Regional Union and Area Management. Permitting this discussion to occur upon notice to the Union is a unilateral change. Issuing copies of the letter to the Regional Coordinator to employees is not proper or official notice to impacted employees. Failing to first meet is also a change of policy, instructions and guidelines. The Employer has not provided the Local Union or Regional Union with any report or study to validate a loss of mail volume, mail movement up the processing windows and or any operational needs. Nor has the financial status of the San Bernardino plant been established. The timeline given to employees is also improper. While 31 FT clerks will be affected the employer has not discussed nor validated the retention of 18 casuals.
