Linda,

Information requested:

- Number of machines being moved: **3**
- Number of impacted employees: **2 (Juarez, Jess - 03202853 & Salinas, Tom - 03306191)**
- Distance form Palm Desert to San Bernardino: **Approx. 68 miles**
- Electronic Technicians (ET) in surrounding Associate Offices: **No**
- Meeting with Union: **Set for Friday 1/25/08**
- Are there any ET vacancies in SB P&DC? **No**

Ken Lucas is in the process of preparing the Executive Summary and should be presenting on Friday 1/25/08.

I informed him that you will be preparing the impact statement. He is also aware that the 2 ET will have to be detailed and paid for mileage because of the short notification.

Can you please send me a letter template to notify the impacted employees?

Please let me know if you need any additional information regarding the DBCS relocation.
