Attached are copies of the revised lists of junior impacted clerks at the Vallejo and Brentwood with Josephine Alfonzo and Luz Maya identified as shop stewards and therefore not impacted.

Linda Shumate has asked the District Complement Coordinator in Bay Valley to jointly review the impact for each of the offices discussed with Operations Support to determine if the number of employees to be excessed in each of those offices can be reduced based on the earned workhours and the current on rolls complement. She has asked that they get back to back to her by cob Friday, October 8, 2010.

Linda has also requested that Aaron Oya, District Complement Coordinator, Honolulu District identify any light/limited duty clerks in the Kamuela Post Office and that he check on whether the Honolulu plant is utilizing employees previously excessed from the Air Cargo Unit in that unit on a regular basis.
