This is to advise you of the intent of the Bay Valley District to utilize the provisions of Article 12.5.C.5 of the National Agreement to involuntarily reassign seventy seven (77) full-time clerks from the craft and/or installation at the San Francisco NDC. The basis for this action is the loss of work load and the conversion of the SF Bulk Mail Center to a National Distribution Center (NDC).

The impacted clerks will be advised of their involuntary reassignments by separate letter. The final placement date would normally be no sooner than September 2, 2010; however, it may be necessary to effect the placement process earlier than that date based upon the decline in mail volume and the financials of the Postal Service. Specifically, the Postal Service has lost almost 26 billion pieces of mail this past year alone and is not receiving enough revenue to sustain the cost of its processing and delivery network. It may also be necessary to utilize the provisions of Article 7.B.2 of the National Agreement to detail some or all of the impacted clerks during the notice period.

By copy of this notice, the Pacific Area will withhold up to 77 full-time residual assignments in the clerk, carrier, mail handler and maintenance crafts in plants and post offices within a 250 mile radius of the impacted site.

A copy of the Automated Impact Statement and the operational data supporting the need to excess are attached along with a copy of the seniority list identifying the junior impacted clerks. We are placing this impact on the agenda for our March 9, 2010.

RE: BAY VALLEY SFBMC/SACRAMENTO CFS IMPACTS

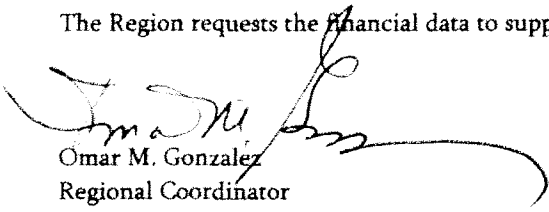

Dear Mr. Thomas:

I am in receipt of the notice of intent and Impact Statement on the above referenced impacts. It is necessary to generate this response:

- 1) You made reference to a loss of almost 26 billion pieces of mail and not receiving enough revenue to sustain the cost of processing and delivery network. However no financial information for the two sites or Districts was submitted.

Also, pursuant to Article 12 employees are entitled to advance notice when being detailed. Reference is made to the abolishment of bids. Does that mean their will be realignments within the Installation.

The Region requests the financial data to support your notice of intent and a response to the other inquiries.

Omar M. Gonzalez
Regional Coordinator

San Francisco NDC Staffing & Scheduling Review – 2010

The San Francisco Network Distribution Center has experienced a continued decline in volume since FY07. This decline in volume caused us to restructure our processing windows in FY09 to better meet the needs of our customers. In August of 2009 the San Francisco Bulk Mail Center converted into a Tier 1 Network Distribution Center. This change meant that we would no longer process originating mail here at this facility. All mail destined for NDC's outside our service area is now sent to Los Angeles or Seattle for processing and dispatch. This change has caused an even greater decline in volume, resulting in the SFNDC having more employees than needed to process our current volumes. This situation is the basis for this excessing package.

Mail Processing Impact Statement

The Staffing and Scheduling review conducted at the San Francisco NDC has the greatest impact on mail processing department. The impact consist of the elimination of both clerk and mail handler positions in the Primary East & West operations and a tour reporting change for Tour 3 from 1930 to 1500. The exceptions will be as follows:

Tour	P/L	Unit	Reporting Time	
			Old	New
2	266	Secondary PSM 3	0600	0900
2	267	Secondary PSM 4	0600	0900
3	366	Secondary PSM 3	1930	1800
3	367		1930	1800

The Mail Handler PTR schedules will change from 1430-1930 to 2400-0500. There will be a small full-time crew working on Tour 1 with a schedule of 2330-0800.

Since the Tour 3 hours of operation are changing by more than four hours, all employees currently assigned to Tour 3 will either have their bid abolished or will be assigned to a different schedule if they are a flexible employee. Any unassigned regular employees schedule will be changed in accordance with the national contract.

94 Mail Handlers and 18 Clerk craft employees currently assigned on Tour 2 will maintain their bids. 24 Mail Handlers and 36 Clerk craft employees will have their bids abolished and 44 will have some bid changes.

The estimated impact is as follows:

Current Tour	Craft	Abolished	Repost	No Change
2	Mail Handler	24	17	94
2	Clerk	36	27	18
3	Mail Handler	54	77	
3	Clerk	52	27	2
Total		166	148	114

The proposed bid structure will result in the excessing of 30 Mail Handlers and 77 Clerks outside their craft and/or the San Francisco NDC installation. A copy of the proposed bid structure has been included in this package.
