May 3, 2010

Omar Gonzalez  
Western Regional Coordinator, APWU  
500 Airport Blvd. #450  
Burlingame, CA 94010

This is to advise you of the intent of the Sacramento District to utilize the provisions of Article 12.5.C.5 of the National Agreement to involuntarily reassign one (1) full-time level 6 clerk from the craft and or installation at the Diamond Springs bid cluster. The basis for this request is the loss of workload. Specifically, the earned work hours no longer support the current full-time complement.

The impacted employees will be advised of their reassignments by separate letter. Although the placement process would not normally occur before November 3, 2010, based on the loss of workload nationally and the financials of the company, it may be necessary to begin the placement process earlier than that date. Additionally, it may be necessary to use the provisions of Article 7.2.B of the National Agreement to detail some or all of the impacted employees during the notice period.

By copy of this letter, the Pacific Area will withhold one (1) full-time residual assignment in the clerk, mail handler, carrier or custodial craft for the placement of the impacted employee in offices and plants within a 250 mile radius of the impacted site.

Attached you will find a copy of the automated impact statement, a list of the offices in which withholding is authorized, the operational data supporting the excessing and a seniority list identifying the impacted employee. We are placing this event on the agenda for our meeting on May 12, 2010.
