Subject: Los Angeles District Maintenance Impacts

This is to advise you of the intent of the Los Angeles District to utilize the provisions of Article 12.5.C.5 of the National Agreement to involuntarily reassign one (1) Full-Time Laborer Custodial employee from the Downey PO bid installation based on updated Workload Analysis and Summaries.

The impacted employee will be advised of their involuntary reassignment by separate letter. The final placement date would not normally occur before December 15, 2010; however, it may be necessary to effect the placement process earlier than that date due to the loss of workload and financial condition of the Postal Service nationally. It may also be necessary to utilize the provisions of Article 7.2.B to detail the impacted Laborer Custodial employees during the notice period in order to provide them with a work opportunity

By copy of this letter, the Pacific Area will begin withholding one (1) full-time residual assignment in the Custodial or Mail Handler crafts in plants and post offices within a 250 mile radius of the impacted office. A list of the offices within this radius in which withholding is authorized for the impacted site is attached.

Copies of the Automated Impact Statement and operational data supporting excessing are attached. Also attached is a seniority list identifying the junior impacted Laborer Custodian in the bid installation.

We are placing this impact on the agenda for our meeting scheduled for June 18, 2010.
