This is to inform you of the intent of the Los Angeles District to utilize the provisions of Article 12.5.C.5 and Article 12.5.C.8 of the National Agreement to involuntarily reassign up to eighty-seven (87) full-time carriers and five (5) part-time flexible carriers from nine (9) separate offices based on the Flats Sequence System sorters. The specifics as to the number of impacted carriers in each of the nine (9) offices are set forth below.

EVENT #	EVENT TYPE	OFFICE	FT IMPACT	PTF IMPACT
23901	FSS	Malibu	3	0
23982	FSS	Manhattan Beach	3	0
24050	FSS	Beverly Hills	4	3
24051	FSS	Pacific Palisades	1	0
24085	FSS	Palos Verdes	10	0
24086	FSS	Redondo Beach	8	0
24087	FSS	Los Angeles	48	0
24326	FSS	Venice	3	0
24887	FSS	Santa Monica	7	2
TOTALS			87	5

The impacted carriers will be notified by separate letter of their reassignments. The placement process would not normally start before September 30, 2011; however, given the imminent deployment of the equipment and the financials of the Postal Service, it may be necessary to start the placement process earlier than that date. It may also be necessary to utilize the provisions of Article 7.2.B of the National Agreement to detail some or all of the impacted employees during the notice period.

By copy of this letter, the Area will withhold up to eighty-seven full-time residual assignments and five (5) part-time flexible opportunities in the clerk, carrier, motor vehicle, custodial and mail handler crafts in post offices and plants within 900 miles of the impacted offices.

Attached are the Automated Impact Statements, the operational data supporting the need to excess, a representative listing of the sites where withholding has been authorized and lists of the impacted junior carriers in each of the offices denoted above.

We would like to include this package on the agenda for our next meeting.
