Omar M. Gonzalez, Coordinator

This is to advise you of the intent of the Sierra Coastal District to utilize the provisions of Article 12.5.C.5 to involuntarily reassign up to eight (8) full-time clerks at the Oxnard bid cluster from the craft and/or installation. The basis of this action is an update Function 1 baseline.

The impacted clerks will be notified of their involuntary reassignments by separate letter. The placement process would normally not begin before April 15, 2011; however, the loss of workload nationally and the financials of the Postal Service may make it necessary to begin the placement process in advance of that date. It may also be necessary to utilize the provisions of Article 7.2.B of the National Agreement to detail some or all of the impact clerks during the notice period in order to provide them with a work opportunity.

By copy of this notice, we are authorizing the withholding of up to eight (8) full-time residual assignments in the clerk, carrier, mail handler and custodial crafts in plants and post offices within a 900 mile radius of the impacted site based on this impact.

Attached for your review are copies of the automated impact statements (AIR), the operational data supporting the need to excess and a seniority list identifying the eight (8) junior full-time clerks.

Please add this impact to the agenda for the next meeting.

Mike Thomas
