MEMORANDUM FOR: HARRIET WHITE  
MANAGER HUMAN RESOURCES, SAN FRANCISCO

Gmar M. Gonzalez, Coordinator

SUBJECT: Return of Withheld Carrier Assignments

The November 21, 2010 collective bargaining agreement between the American Postal Workers Union, AFL-CIO and the United States Postal Service will take effect today, May 23, 2011. New provisions in the contract restrict excessing to fifty (50) miles and will require us to re-preference all remaining impacted clerks following the completion of the 21 day posting of all residual and withheld clerk craft assignments for voluntary transfer requests by clerks in impacted installations.

Until the voluntary transfer process referenced above is completed and we know whether you still have a need to excess, we are restoring the carrier assignments that were released to you to migrate clerks to the Area's cumulative list of withheld assignments. If, after the completion of the voluntary transfer process referenced above, you still have a need to migrate impacted clerks, we will provide you with a new list of withheld/residual assignments which comport with the changes in the contract.

For your convenience, we have attached a copy of the withheld assignments that we show need to be returned to the Area.
