This is to confirm that based on the current impacts in the clerk, carrier, mail handler and maintenance crafts, we will need to expand the radius for withholding for all impacts to a minimum of 900 miles for impacted sites in California. We will also need to expand the radius for the Honolulu District as follows: Hawaii to Guam = 4020 miles, Hawaii to California = 2970 miles and Guam to California = 6640 miles. This expansion will be applied to all impacts in FY 2011 as well as those issued in FY 2010.
