WHMasterlist  
November 09.xls (...)

Linda,

As requested, attached is the latest Withheld list for Bay Valley. However, I may have to submit an amended list later. I've combined what is showing today in Blue Share and COINS with my tracking sheet and have provided it the MOPS Office to validate because the three lists are not matching. Once the discrepancies are identified I'll submit the correct forms to Shared Services to have it corrected.

Yolanda

**Subject:** Changes to Withheld....

Citrus Heights does not have any withheld carrier positions as they finished MIARAP and re-bid the unit. I've taken all off my list.

Elk Grove finalized their route adjustments and now only have 1 withheld. The rest have been removed from my list.

Still verifying, but I've attached what I have so far.
