Omar M. Gonzalez, Coordinator

This is to advise you of the intent of the San Francisco District to utilize the provisions of Article 12.5.C.5 of the National Agreement to involuntarily reassign up to 31 full-time maintenance craft employees at the San Francisco Bid Cluster from the craft and/or installation. The specific numbers by job title and occupation code are set forth below.

| POSITION | OCCUPATION CODE | LEVEL | NUMBER |
|-----------------------------|-----------------|-------|--------|
| Electronic Technician | 8560020 | 10 | 7 |
| Building Equipment Mechanic | 53060002 | 9 | 3 |
| Maintenance Mechanic, MPE | 53500001 | 9 | 3 |
| Maintenance Mechanic | 474903xx | 7 | 3 |
| Laborer Custodial | 350203xx | 4 | 13 |
| Group Leader Custodial | 350101xx | 5 | 1 |
| Maintenance Support Clerk | 70219734 | 7 | 1 |
| TOTAL | | | 31 |

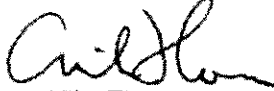

The basis for this action is the AMC/ISC realignment and relocation of the military mail. The impacted employees will be advised of their involuntary reassignments by separate letter. The final placement date would normally be no later than August 14, 2010; however, based on the drastic decline in mail volume (almost 26 billion pieces lost this last year nation wide) it may be necessary to involuntarily reassign some or all of the impacted employees earlier than the normal completion date. It may also be necessary to utilize the provisions of Article 7 of the National Agreement to detail some or all of the impacted employees during the notice period.

By copy of this letter, the Pacific Area is notifying you of its intent to withhold up to 31 full-time residual assignments in the maintenance craft in offices and plants within a 200 mile radius of the impacted bid cluster.

Attached is a copy of the automated impact statement and the new maintenance staffing and work hour authorizations for the ISC and the AMC. Also included are copies of the seniority lists for each of the impacted occupational groups identifying the junior employees scheduled to be excessed.

Please contact me at (858) 674-3184 to arrange to discuss the matter.

CERTIFIED MAIL NUMBER:

Dear Bill:

In accordance with Article 32 of the National Agreement, this letter provides you with the Postal Service's final decision concerning the consideration of proposed outsourcing of the tender and receipt of mail at the following Air Mail Centers (AMCs):

| | |
|--------------------------|------------------------|
| Baltimore, MD (BWI) | Indianapolis, IN (IND) |
| Charlotte, NC (CLT) | Las Vegas, NV (LAS) |
| City of Industry (ONT) | Los Angeles, CA (LAX) |
| Denver, CO (DEN) | Milwaukee, WI (MKE) |
| Detroit, MI (DTW) | San Antonio, TX (SAT) |
| Hartford, CT (BDL) | Seattle, WA (SEA) |
| Humble/Houston, TX (IAH) | St. Paul, MN (MSP) |

After carefully considering all relevant information, including input provided by the APWU, the Postal Service has made a final decision to outsource terminal handling operations at the above-listed AMCs.¹

The resulting impact on employees working at these facilities will be determined at the Local and Area levels, and employees relocated and reassigned in accordance with Article 12 and other established contractual guidelines.

If you have any questions concerning this matter, please contact Patrick Devine at (202) 268-5421.

Sincerely,

John W. Dockins
Manager
Contract Administration (APWU)

¹ My letter to you dated January 26, 2007 notified you that of the 43 AMCs originally considered for outsourcing (as indicated in my July 3, 2006 letter to you), 29 of those AMCs were removed from consideration for outsourcing, leaving the 14 sites listed above.
