RE: Amendment of Withholding for Colorado FSS

Omar M. Gonzalez, Coordinator

Dear Mr. Bledsoe:

As you may know, Denver, Colorado will only get three FSS machines instead of the originally planned five FSS machines. Additionally, the Colorado/Wyoming District has employed TEs and has withheld some letter carrier positions, as well as experienced reduced mail volume. We previously reduced the withholding radius to 275 miles and the impacted number of FTR letter carriers to 275. Please be advised that we are further reducing the withholding radius to 100 miles.

If you have any questions, please contact Dan L. Foster at 303-313-5702.

Sincerely,

For Simon M. Storey
