Re: Expansion of withholding Radius for Longmont, Littleton, and Golden, CO  
(Colorado/Wyoming district)

Dear Mr. Gonzalez:

Regarding the maintenance excessing of 11 level PS-7 maintenance mechanics for the above offices there are insufficient residual positions within the same level and craft within the Colorado/Wyoming District into which the impacted employees can be assigned. This is mainly due to the number of employees with veteran preference eligibility status. As discussed with you earlier, we need to expand the radius to include residual vacancies in the Mid America District. We expect to reassign at least 6 of the impacted employees within the Colorado/Wyoming District. Therefore, we authorize a withholding radius of 800 miles for the reassignment of up to 5 FTR level PS-7 maintenance mechanics.

If you have any questions, please contact Dan L. Foster, Labor Relations Specialist at 303-313-5702.

Sincerely,

Dan L Foster for
