Re: Cancellation of Withholding Reno NV P&D (Nevada-Sierra District)

By notice dated July 26, 2006 you were notified of the potential impact to the Reno NV P&DC as a result of the deployment of the Automatic Induction (AI) System to the AFSM 100. It was anticipated that six (6) FTR clerks may be excessed outside the installation and/or craft and the District was authorized to withhold up to 6 FTR level PS-5 and below positions within 100 miles in the clerk and mailhandler crafts.

This is to inform you that the impacted clerks were excessed outside the section and therefore the withholding is hereby cancelled. If you have any questions, please contact Dan L. Foster, Western Area Labor Relations Specialist at (303) 313-5702.

Sincerely,

Dan L. Foster
