Re: Updated Excessing and Withholding Notice for the Seattle, WA Performance Cluster

Dear Union Officers:

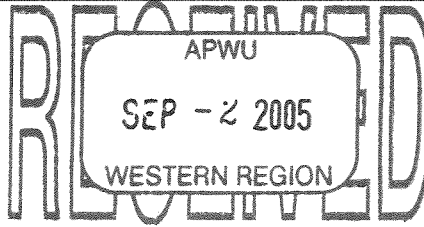

Please be advised that that the Seattle Performance Cluster has reassessed its need for excessing and withholding and is canceling all prior excessing (outside the craft and/or installation) and withholding notices. While Seattle continues to anticipate some impacts, it should not need to excess employees outside their crafts or installations. I am enclosing a copy of the current Multi-Event Chart that shows anticipated events within the Seattle Performance Cluster

If you have any questions, please contact Dan L Foster, Western Area Labor Relations at (303) 313-5702.

Sincerely,

for
