Dear Omar:

On April 30, 2007, you were notified of the intent of the San Diego Performance Cluster to involuntarily reassign/excess full time clerks from the installation in two separate offices (copy attached). The Cluster has reviewed the original impacts and is now ready to meet with the union. The numbers are set forth below. As information, the impact for Rialto has increased and a revised impact statement is attached issued for the additional one clerk that needs to be excessed.

OFFICE	ORIGINAL NUMBER	FINAL NUMBER	DIFFERENCE
Rialto	1	2	+1
Victorville	3	3	0
TOTALS	4	5	+1

In addition, the original impact package informed you of a need to excess a total of 63 full-time clerks from their identified sections in the San Diego bid installation. The Cluster is in the process of validating this number now and we will update you by separate notice as soon as the validation process is completed.

The Cluster is now ready to meet with the union prior to issuing written notification to the impacted employees in the offices two associate offices identified above. If you wish to meet on this package with the President of the Local in attendance, please advise Linda Shumate at (626) 855-6446 by COB February 1, 2008 and provide her with the dates that you are available.
